Daily Advent Devotion

It has come to our attention that some members may no longer be receiving the Daily Advent Devotion, which is sent each weekday, Monday through Friday. We have recently updated both the design and the sending email address. As a result, some messages may be directed to your spam or junk folder. Please check those folders and mark the email as safe to ensure future delivery to your inbox.

If you continue to experience difficulties receiving the Daily Advent Devotion, kindly contact the church office so we may assist you. THANK YOU.
